To The Secretary to the Government of Madras,

Pp 2-3 mtrs

In forwarding herewith a copy of the letter Ref. No.292/29 dated 21st February 1929 received from the Superintendent, Headquarters Hospital, Mangalore, I have the honour to request that in the circumstances explained therein the Government will be pleased to accord sanction for the purchase of articles of furniture referred to, from sources other than the Jail Department.

2. The Superintendent will be informed that the orders issued in G.O.No.2109 Law (General) dated 20th June 1928 should be strictly observed in future.

Early

Early orders of Government are requested.

I have the honour to be,

Sir,

Your most obedient servant,

Colonel, I.M.S.,

Offg.Surgeon-General with the Government of Madras.

C.R.P/5-3-29.

Copy of letter from the Superintendent, Government Headquarters Hospital, Mangalore, to the Personal Assistant to the Surgeon-General with the Government of Madras, Madras, Ref.No.292/29, dated the 21st February 1929.

I have the honour to submit that in the Headquarters Hospital at Mangalore no accommodation has ever been provided for European patients though it is an important Port with several European Agencies and is the Headquarters of the District nor have any arrangements been made for the patients to sit out in the evenings in the compound of the Hospital. The patients have to remain all day and night in bed or some of them come out into the verandah. As with the funds at my disposal this year under Head "Purchase and repair of Furniture" and without asking for any extra allotment for this purpose I could supply all these wants I ordered some of the articles absolutely necessary and very urgently required for the Headquarters Hospital from St.Joseph's Asylum Workshops, Mangalore, an institution maintained by the same mission that manages the Leper Asylum here and to whom the Government have this year contributed about Rs.10000/- already. These Workshops turn out very good work and charge very reasonable prices. Most of the articles have already been delivered and paid for. Only 4 more garden benches and a marble delivery table for Lady Goschen Hospital remain to be delivered. They are also ready and will be delivered in a day or two after I have inspected them at the Workshops.

As the Accountant-General says that sanction of Government should be obtained for articles purchased outside the Jail I request that sanction of Government may now be obtained which was not applied for before ordering the things through oversight and because of the clerical staff being all quite new and not aware of all the circulars.

On 12-1-1929 I enquired of the Superintendents, Coimbatore and Cannanore whether they could supply some furniture for this Hospital and both of them replied that they could not, copies of their letters are enclosed, so that the Jail probably could not have been able to supply the articles within the current official year.

These articles purchased from St. Joseph's Asylum Workshops locally have made great improvements in the appearance of the Hospital grounds and in comfort of the patients both Indian and European and money has been very carefully and economically spent and no additional allotment under this Head is asked for. The list of articles ordered from the St. Joseph's Asylum Workshops is enclosed.

I may add that these articles were ordered long before your letter No. C. 1063-A dated 4th February 1929 was received in another connection.

Copy of letter No. M. 54 dated 15-1-29 from Major [illegible].T. Khandwalla I.M.S., Superintendent, Central Jail, Cannanore, to the District Medical Officer, South Kanara.

Ref:- Your letter No. Dis. ~~28~~ 298 of 29 dated 12-1-29.

Regret I cannot supply you with the articles of furniture mentioned therein. I can supply you during the year 1929-30 if your order is registered now for execution.

Copy of letter No. 287 dated 15th January 1929 from the Superintendent, Central Jail, Coimbatore, to the District Medical Officer, South Kanara, Mangalore.

With reference to your letter No.298-2/29 dated the 12th January 1929, I have the honour to inform you that I will not be able to complete your order for furniture by the end of February 1929, as I have got a good many orders on hand requiring completion before 31st March 1929.
